APPLICATION FOR SEPTAGE HAULER PERMIT

Permit Expires December 31st; renewal applications due December 22nd – \$50 Late Fee Applies.

In accordance with M.G.L., Chapter 111, Section 31B and 310 CMR 15.402 (Title 5) the undersigned makes application to the Board of Health for permission to remove and transport septage and the content of privies and cesspools as set forth below:

Name of Applicant: _____

Business Name: _____

Mailing Address: _____

Telephone Number: _____

Email Address: _____

List number and types of equipment, their gallonage capacity, and data of vehicle inspection:
(add additional pages if needed)

List all locations where septage will be disposed (include a copy of the contract or the approval for use of the disposal location):

I certify that the information I have provided above is true and accurate. I recognize that it is a violation of this permit to dispose of septage anywhere other than the identified disposal locations or others approved by the Board in writing as an amendment to this permit.

Note: Local regulation adopted January 2014 states that septage haulers must file a pumping report with the Board of Health within 14 days of pumping activity.

PLEASE INCLUDE:

_____ Fee \$125.00 per truck payable to Town of Rockport

_____ Certificate of Liability Insurance

_____ Worker's Compensation Insurance (or Worker's Compensation Insurance Affidavit)

Date ____/____/____ Signature of Applicant _____

For Official Use Only:

_____ Fee \$125.00 per truck payable to Town of Rockport

_____ Certificate of Liability Insurance

_____ Worker's Compensation Insurance (or Worker's Compensation Insurance Affidavit)
